

Midwest Aero Support, Inc.

Warranty Policy

Midwest Aero Support, Inc. (MAS) warrants all components overhauled, repaired or modified by MAS to be free from defects in MAS' workmanship for a period of one (1) year (12 months) from date of shipment to Customer.

MAS does not warrant parts, components or materials used by it in such overhaul, repair or modification. Such warranty is the responsibility of the manufacturer. However, MAS agrees to submit to the appropriate manufacturer on behalf of Customer a request for warranty of parts and/or material installed in the overhaul, repair or modification by MAS. Consideration by the manufacturer for warranty of parts and/or materials will be passed to Customer.

If any units are found to be defective under this warranty, MAS will pay transportation charges for the return of defective unit to MAS and the reshipment to Customer. This warranty shall be binding on MAS only if the defect is confirmed and the units have been operated and maintained in accordance with the manufacturer's specifications and recommendations and have not suffered damage due to fire, mishandling or collision or if serviced by a facility other than MAS. MAS assumes no liability for extraordinary or consequential damages.

THIS WARRANTY IS MADE IN LIEU OF ANY AND ALL OTHER WARRANTIES EXPRESSED OR IMPLIED.
